

Unacademy Grievance Redressal Council (UGRC)

UGRC MONTHLY REPORT
April 2026

INTRODUCTION

Unacademy Grievance Redressal Council (UGRC) is a first-of-its kind initiative in the Indian EdTech sector to create a mechanism for Learners, Educators and other stakeholders to highlight their grievances and seek redressal.

UGRC operates with a three-tier redressal system with external independent oversight and is open to everyone, irrespective of whether the complainant is a paid subscriber studies via Unacademy's free content or is a general user.

The initiative is in line with the Government advisories and guidelines under the Consumer Protection Act, 2019. Further, it includes non-customers in its scope.

CORE OBJECTIVE

“To create robust systems and processes to ensure effective and timely solutions to grievances with an impartial approach to set higher benchmarks toward effective Learner engagement.”

KEY PILLARS

1 TRANSPARENCY & ACCOUNTABILITY

Redressal process is clearly defined and made public. Additionally, Unacademy has provided various channels to register grievances. Our robust processes also ensure that those seeking redressal know that there is a dedicated entity in charge of the process and that every grievance is considered in a timely, objective and neutral manner.

2

FAIR & EMPOWERING

A skilled centralised team is dedicated to addressing each grievance with fairness, following a robust communication channel and appropriate CRM support. Our policy also empowers the complaints redressal desk, in order to remove influences and promote objectivity and consistency in resolution.

3

EFFICIENCY & RESPONSIVENESS

Each complaint is responded to and assigned with a unique identity for tracking. We have a well-defined turnaround timeline for resolutions which are strictly adhered to. Written acknowledgement is sent to the complainant with details of the officer handling the particular case and expected turnaround time for resolution.

4

REVIEW & IMPROVEMENT

We constantly review our processes to identify areas of improvement and ways to prevent future grievances. There is regular analysis of the frequency, patterns and cause of grievances. Review of strategies and processes used for grievance resolution. Check on the effectiveness of those strategies and processes. Improvement plans are implemented on a regular basis.
